Fret Me Not™

The precision of a pattern brings the feel of an old world craftsman at work, while the soft plushness gives it a modern edge. The best of both worlds is now ready for yours. *Shown in pearl.*

Deep Impressions™

The irregular texture will remind you of changing terrain while the grainy weaves are reminiscent of stone. Industrial in appearance, its varied loop pile gives it a soft and luxurious feel underfoot. *Shown in granite.*

Biscayne Breeze™

What's not to love about chic palm prints? The bold graphic instantly adds personality to a space. And when wanderlust beckons, palms are the perfect answer. *Shown in black/white.*

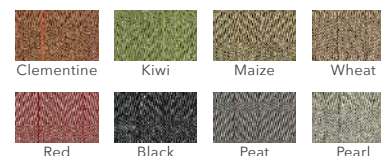

+ New Colors

Tweed Indeed™

Elegant, understated and rich. This classic tweed pattern is similar in look and feel to a flat weave rug. Dress your space to impress by mixing with Be Cool for a tailored custom look. *Shown in kiwi.*

How Bazaar™

Inspired by Moroccan domestic craftwork for a design that is both elegant and nostalgic. Combining this traditional design aesthetic with the soft illumination of pastels, gives a light and inviting atmosphere to any room. *Shown in coral.*

Coral

Be Cool™

Inspired by a traditional weaving style called Saori, which values creativity, free expression and individuality. It's a handmade look that adds a unique textured element to any room. *Pairs well with Tweed Indeed™. Shown in teal.*

Fedora™

A classic style, made with post-consumer recycled content like plastic bottles. It's a good value and looks dapper in any room. *Shown in charcoal and oatmeal.*

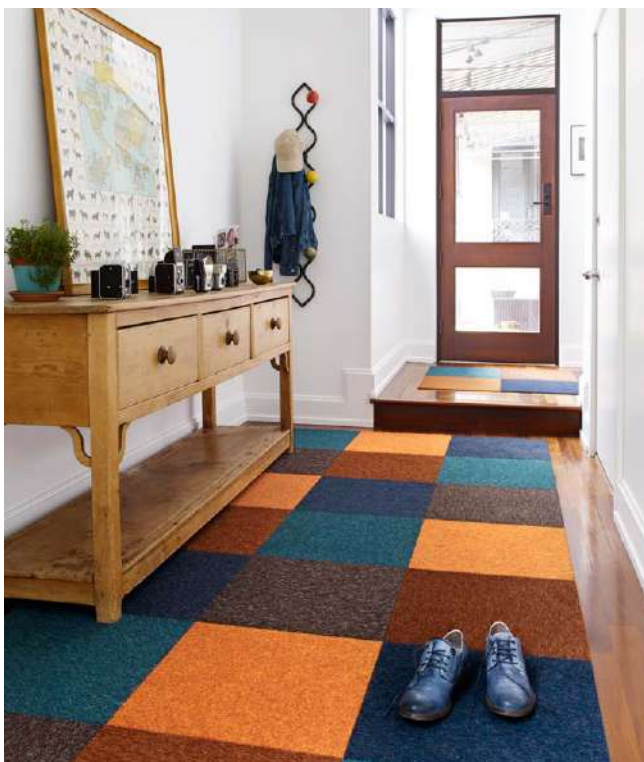

Chenille Charade™

The rich, over-dyed colors are inspired by traditional Persian rugs but you won't have to worry about walking, cooking or living on them. Easy to clean, easy to change, easy to love. *Shown in frost.*

House Pet™

This pet comes in adorable colors, and has the wirey texture of a terrier puppy. *Shown in tabby cat, chameleon, iguana and painted turtle. Not eligible for cutting services or for use over radiant heat floors.*

Upcycle™

An awesome rug with integrity. Made from 100% recycled nylon, including rescued fishing nets from our partnership with Aquafil Global. *Shown in teal.*

Made You Look™

Made You Look is our big box of crayons. Whatever you dream, it can be realized using our huge array of colors. They work easily across collections, and our cutting service will create any design that you can imagine. *Shown in orange and bright white.*

+ New Colors

In The Deep™

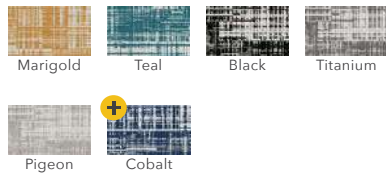

Shag has become a stylish modern standard. Deep, cozy and 100% recycled (and recyclable), it's easy to clean and even easier to walk on. *Shown in frost and bone.*

+ New Colors

Dappled Daylight™

This timeless look is versatile enough to blend with any color. But the bold contrasts make it a pattern that's more than capable of standing out. *Shown in black*

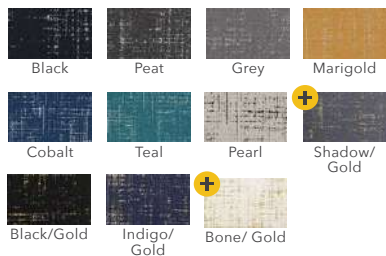

+ New Colors

Tuxedo Pocket™

Like the grooves in a vinyl record, this rug shows its very subtle hatchings with style. Reminiscent of classic mid-century design, it has confidence and swank without being showy. Pair it with modern pieces or vintage decor. *Shown in cobalt*

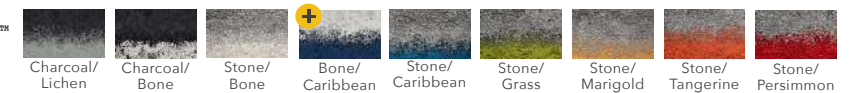

+ New Colors

Urban Nature™ Down To Earth™

Urban Nature and Down to Earth were designed to mimic the natural gradients seen on moss-covered cliffs by the seashore. They look stunning together and also make for more subtle looks on their own. *UrbanNature Shown in Charcoal/Lichen combined with Down to earth Charcoal.*

Urban Nature™

Down To Earth™

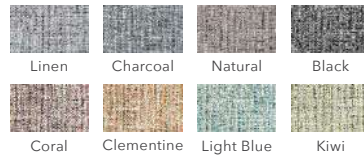

+ New Colors

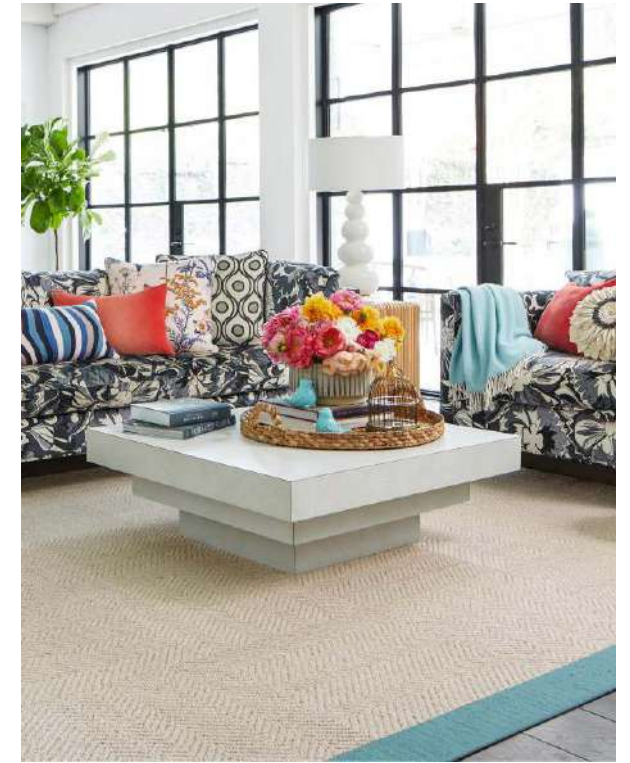

Tailored Touch™

Keep your room relaxed and inviting with our slightly nubby and speckled new design. Tailored Touch is a warm berber style that invites you to walk on it barefoot. Shades of colors blend in a subtle way through each loop, giving it depth and interest. *Shown in linen.*

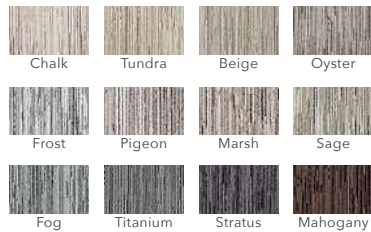

Suit Yourself™

Get the distinctive look of sisal with a subtle herringbone pattern using our nature-inspired neutral color palette. *Shown in linen.*

Fully Barked™

Deep ridges of velvet in earthy shades make a rug that is both durable and attractive. *Shown in oyster.*

Dillinger™

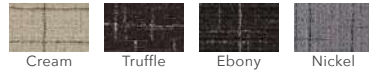

Thin pinstripes make for a neat, tailored look. Looks best installed parquet style. *Available in grey.*

Carry A Torch™

Luxe contrasting yarns rendered in an irregular pattern come together effortlessly to create an incredibly soft and lush environment. *Shown in cream.*

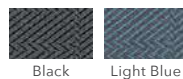

Top Hat™

The crosshatch pattern creates a visual expression that pops—in bright colors or classic black—playful enough for a kid's playroom but elegant enough for a living room. *Shown in light blue.*

35th Street™

See the chevron pattern? It's designed to mimic tire tracks on a city street, making this fun and expressive look perfect for your house's high-traffic areas—entryways and kids' playrooms. *Shown in light blue.*

Vintage Vibe™

Our modern take on traditional Moroccan Beni Ourain rugs. The diamond pattern features subtle, natural imperfections to honor the ancient weaving technique it mimics. *Shown in cream.*

Yabara™

Named for a West African welcome dance, we love this durable, organic, tribal style and hope everyone dances on it. *Shown in iron.*

Parallel Reality™

Our perennial best-seller, available in 10 colors, delights with ever-pleasing rolling colors that give your room impact and motion. Pairs great with other solid styles. *Shown in grey.*

Winston™

A playful way to get the trendy tailored look and bring in some color. *Shown in kiwi.*

Rush Street™

With elegant stripes and a shorter weave, you can put this rug in your busiest rooms, and it will remain dapper and distinguished. *Shown in haze.*

Heaven Sent™

The beveled edges of this style give it an elevated sense of sophistication but its soft, loopy texture makes it the perfect foundation for a playroom or bedroom. *Shown in pearl, frost and indigo. Not eligible for cutting services.*

St. Kieran's Skylight™

Inspired by light beaming through an epic stained glass window, this new style evokes a vintage, heirloom feel and creates a sense of peace and inspiration in any room.

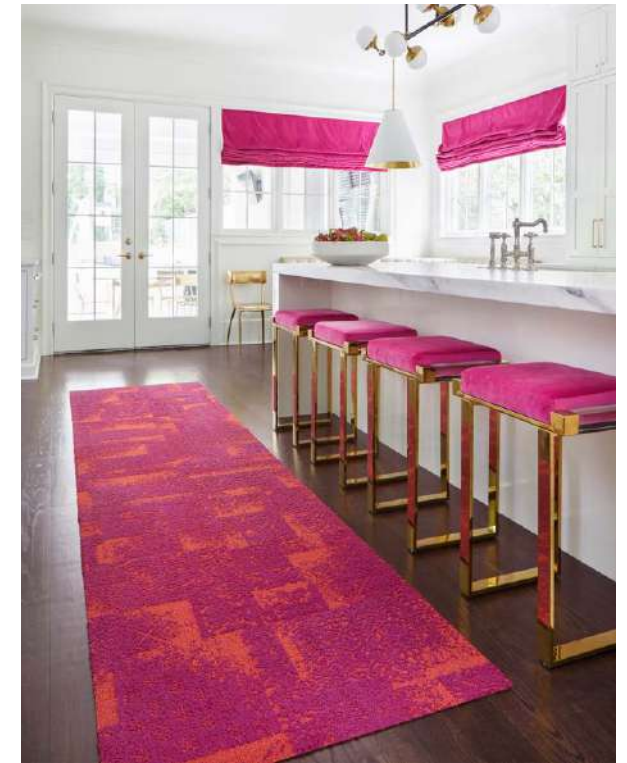

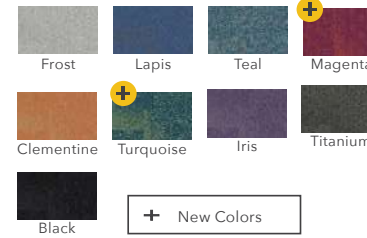

Shown in aquamarine.

Aquamarine

Antique Minx™

Two-toned, dual-textured eye-catcher. The rich colors and vintage touch are even better in person. *Shown in magenta.*

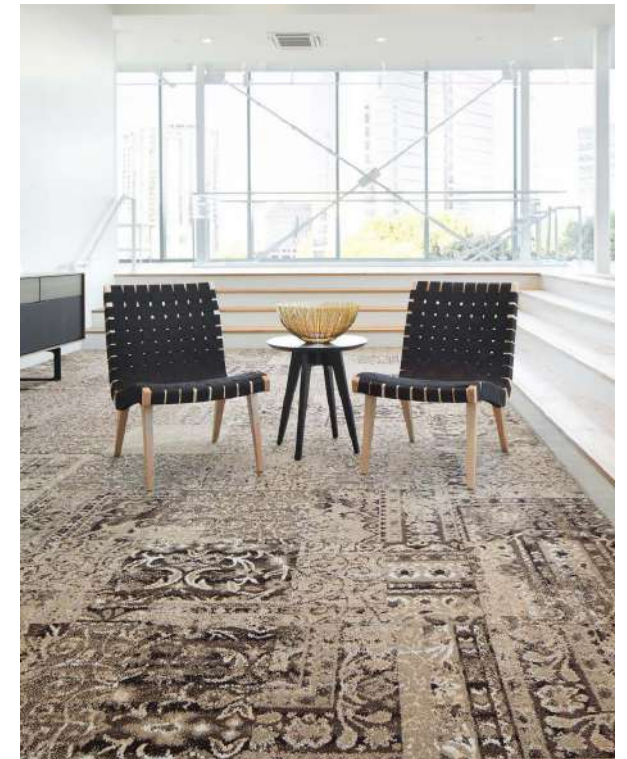

Nizhoni Patchwork™

Designed in the tradition of the great American Southwest, Nizhoni is the Navajo word for beautiful. Looks great in rooms that range from rustic and raw to vintage and sophisticated. *Shown in crimson.*

Reoriented™

A remix that looks to classic Oriental rugs as inspiration, it deconstructs and then reinvents the original with interesting colors, surprising arrangements and a laid back vibe. *Shown in grey.*

Something Concrete™

Concrete doesn't have to be cold. This design brings the raw, urban textures of a warehouse loft into a warm, inviting rug. *Shown in cream.*

Light Grey

Scottish Sett™

An elegant, traditional plaid with pops of color to give this classic pattern a modern twist. *Shown in natural.*

Linen Natural

Salvatore™

Like chalk lines on a custom suit, this style is made just for you. This is a random stripe pattern and no two tiles are alike. *Available in grey.*

Grey

Collins Cottage™

This classic houndstooth pattern will perfectly complement any space and decor. It's like giving your father's favorite old blazer a vibrant new life. *Shown in charcoal.*

Hound Black Hound Linen Hound Charcoal

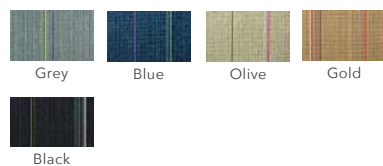

Fall In Line™

Rows of low tight loops and slightly higher cut-pile introduce textural variation to the classic precision of pinstripes. Looks best installed parquet style. *Shown in jade.*

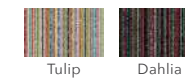

Milliner™

Tidy rows of 100% recycled Nylon fibers in tight loops make Level Setting tough. Its unique low-profile texture makes it perfect for busy areas. Parquet installation is recommended. This is a random stripe pattern and no two tiles are alike. The pattern will not align. *Shown in blue.*

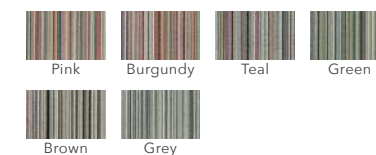

Thursday Daisies™

A shaggy ode to a candy store, you can almost smell the licorice in the air. We've been told it is the best playroom rug you can buy. *Shown in dahlia.*

Like Minded™

Super cheery and equally cozy, it's a rug that pairs well with other thicker styles and creates a charming area rug on its own. Make it extra fun by pairing with Parallel Reality™. *Shown in pink.*

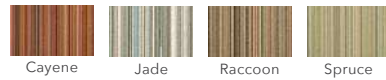

Line, please™

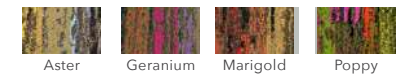

Straight rows of tight loops with a classic look work for every decor. Looks best installed parquet style. Made in the USA. This is a random stripe pattern and no two tiles are alike. The pattern will not align.

Shown in cayene.

Cambium™

Clever camouflage patterning in unexpected, acid-bright color combinations designed to keep messes artfully hidden. This is a random pattern and no two tiles are alike. The pattern will not align. *Shown in poppy.*

Sew What™

The bright bits of color woven in this soft style give it a handcrafted, yet sophisticated, needlepoint look. *Shown in pearl.*

Rib Velvet™

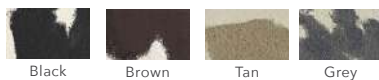

At first glance, it favors a flat woven needlepoint. But one touch reveals surprising complexity, as raised stripes offer structure and sturdiness. This style holds up to heavy traffic, with plenty of charisma to stop it too. *Shown in wheat.*

Mod Cow™

This classic hide design mimics the natural patterns found on the farm — every square is an original. *Shown in black.*

Rue™

Step back to a time when cobblestone walks dotted the landscape. The scattered design gives a natural look, as if the stones were hand-placed by a mason. The pattern scales with size and plays well with Stone Course. *Shown in teal.*

Stone Course™

This style scatters stones of all shapes and sizes across the design for an eclectic vibe that's sure to delight. Pattern mixes well with Rue. *Shown in purple stone.*

Swing Beat™

ively zigzag patterning in plush softness provides a feast for the eyes (and the toes). This is a random pattern and no two tiles are alike. The pattern will not align. *Shown in cream.*

Marston™

Graduated shades of color make an area rug that has warmth like a cozy sweater. *Shown in black/bone.*

Roadside Attraction™

Soft and inviting, but also extremely durable. Turn a square to create a chevron or diamond pattern and dial up your design. *Shown in haze.*

Leaf Behind™

This sophisticated style creates the foundation to a beautiful luxury look and feel. *Shown in bone.*

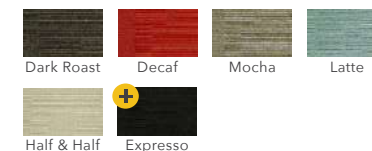

It's snow problem™

This multi-level loop style is a quiet delight any time of year. Makes a great area rug for the comfort and traffic of living rooms and dens. *Shown in bone.*

Morning Coffe™

A signature blend of varied colors and loop yarns for a rich and robust surface that will perk up the most demanding spaces. *Shown in latte.*

+ New Colors

Coming Along™

The familiar look of woven seagrass but in earth-friendly fibers that make it softer and easier to maintain. *Shown in pearl.*

Finer Things™

Reminiscent of a Berber, this hardworking, low pile design is great for rooms with heavy traffic. Each tile has subtle differences, giving the rug a seamless look. *Shown in cream.*

Level Setting™

Tidy rows of 100% recycled Nylon fibers in tight loops make Level Setting tough. Its unique low-profile texture makes it perfect for busy areas. Parquet installation is recommended. This is a random stripe pattern and no two tiles are alike. The pattern will not align. *Shown in blue.*

Highland Hills™

The best of both worlds. A modern southwestern style with a timeworn, faded look. This pattern stands alone, or pairs well with Rib Velvet or American Treasure. *Shown in flannel blue.*

Twisted Spokes™

Create crazy awesome energy by mixing colors or pair with solids to build a pattern. Super fun for playrooms and still sophisticated for grown up playrooms, too. *Shown in black.*

Asteria™

This floral pattern can feel surprisingly masculine in the right space, like a French royal heirloom. Still undeniably soft and pretty, this is sure to be an instant classic that works with so many styles and looks gorgeous on its own. This is a random pattern and no two tiles are alike. The pattern will not align. *Shown in lapis.*

Remembrance™

Remembrance is a mélange of Persian rug references in a modern remix. Made of 100% recycled Nylon face fibers. Made in the USA. This is a random pattern and no two tiles are alike. The pattern will not align. *Shown in tidal and teal.*

Floweret™

A hip, playful way to freshen up a room, it's like walking through a soft field of flowers. *Shown in pink.*

SIGNATURE
RUG

Kensington Gardens Two™

Three styles; Kensington Blossom™, Kensington Blend™ and Kensington Current™ - combine to create this deconstructed rug that's a modern take on a traditional look. Together, they take you through a sumptuously contemporary English countryside.

Shown in cobalt.

1

Kensington Current™

A key part of our Kensington Gardens rug system, the Current is representative of the winds that help keep a garden healthy. *Shown in titanium.*

2

Kensington Blend™

A subtle mix of the Kensington Current and Kensington Blossom styles, this rug has a timeworn look, with distressed patches and textures. *Shown in lavender.*

3

Kensington Blossom™

The most vibrant style in our Kensington line, this rug is both graphic and organic. *Shown in flannel blue.*

1

Turkish Smoke™

In light, delicate tones, the design of this style plays a lovely role in our Turkish Timber area rug. It also looks great in designs with richer styles that pull out the tones in the organic pattern like natural birch wood. *Shown in tan.*

2

Turkish Blend™

Mixing the subtlety of Turkish Smoke and the decadence of Turkish Bloom, this style serves as the transition square in our Turkish Timber area rug and works beautifully in other designs. Try it with Solids for an elegant, high contrast look. *Shown in black.*

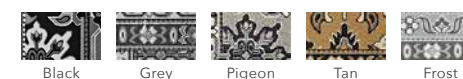

3

Turkish Bloom™

Our eco-friendly, modular update to traditional Turkish designs. As inspired and artful as the hand-woven originals but better for you and the planet. *Shown in black.*
